sioner Stephen B. French called upon District-Attorney Fellows this afternoon. They remained closeted for nearly an hour, but the nature of the secret conference could not be learned.

Col. Fellows issued orders that under no consideration was he to be disturbed or interrupted while the Superintendent was there, and all visitors were told that the chief was not in.

Mr. French said after the conference that he had merely called to pay his respects to his old friend and neighbor, Col. Fellows.

It was rumored about the office that Mr. Byrnes's visit was in relation to the McCarthy-Munzinger case. The Superintendent, it is said, consulted Col Fellows upon the advisability of submitting the matter to the February Grand Jury, which will be impanelled on Monday.

Dr. Parkhurst was not at the District-Attorney's office this morning. To an "Evening World" reportes, who saw him at his home, he said that nothing would be given out until next week. Lawyer Frank Moss, who was seen, spoke in a similar strain.

Both will go before the Grand Jury early next week and prefer further charges of blackmail, this time, it is said, against well-known police officials. Dr. Parkhurst has also been notified to appear before the Senate Investigating Committee, which will meet at the Hotel Metropole at 3.30 to-morrow afternoon.
